

Quarters and Cans

Immaculate Conception serves the community in many ways through Quarters and Cans outreach program. We are excited to have new people join us in our efforts. For more information or to volunteer please call Deacon Bob at (858) 490-8332.

Quarters and Cans Sunday

Quarters and Cans Sunday takes place on the fourth Sunday of each month. All monies collected during a second collection that Sunday will be used here at Immaculate Conception to help those who come to us in need as well as to help support the various charitable activities that we are involved with here at the parish. Non-perishable food items and paper products that are collected that Sunday are sent to Catholic Charities to help stock their Food Pantry. So please be as generous as you can.
