

*Fr. Perozich comments —*

*While the theology below could be fleshed out more fully, the message is vital. Jesus came into the world to save us from sin for eternal life. This is what Christians have received, and this is what Christians are called to announce, to prepare the way of the Lord.*

*The message is short, pithy, clever, and pointed, using the language of our day to announce the Messenger for eternal life.*

# **The Jesus Variant and Supernatural Immunity!**

By [Kurt Kondrich](#) December 4, 2021

**Our media is saturated with news of “variants” entering our society, and this is causing global stress, anxiety and panic. Variant can be defined as “a form or version of something that differs from other forms”.**

**Each Christmas we celebrate the birth of the most important healing variant to arrive in our world – Jesus Christ.** Although Jesus was human, He differs from everyone in that he is the Creator of the universe who entered earth as an innocent baby through the womb of His mother **to conquer and eradicate the most deadly contagious virus ever unleashed upon mankind – sin.**

Each day the headlines are filled with death, depravity, and destruction spreading across our globe like a plague, and people are wandering further into darkness as they follow the deception being unleashed. **The mortality rate is eventually 100%, and no matter how or when we leave this earth all of us will stand before God to determine where we will spend eternity.** We get one shot during our brief lifetime to be cured from the never ending deadly consequences of sin, and that remedy is Jesus Christ. Have you taken your shot of accepting Jesus so that your passport to Heaven is stamped by **the blood Jesus shed for you on the Cross? It is an absolute, 100% cure for everything that ails you, and this supernatural immunity is guaranteed to boost your health, peace, hope, faith and security forever.** *“who forgives all your sins and heals all your diseases” (Psalms 103:3).*

Make sure this Christmas season you inject your body, mind and soul with God’s WORD to heal and protect you from the sickness of the world. The eternal WORD is a one letter variant from the deadly world, and the “L” will get you Lost because it is all Lies about Life. **Please share this free gift to Heaven with everyone you know so they can avoid the highway to hell that so many today are blindly following.** *“Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it” (Matthew 7:13-14).*
